INVITATION

If you live in our area, we would welcome you to consider becoming a member of our fellowship.

We receive persons for membership in several ways:

- Salvation through Jesus Christ and obedience in Believer's baptism
- Transfer of letter from a church of like faith and order
- By statement of your faith in Jesus Christ and obedience to His command concerning church membership.

The invitation time at the close of our worship is when our church extends the opportunity for individuals to express decisions in response to the Lord's leadership.

If you desire to make a decision, or to request membership into our church, make your way to the front where our pastor will greet you.

If the Lord leads you to make a decision, we will welcome you and rejoice in your response! If you have questions or need further information, please talk with any of our church staff.
