

Love Our Neighbors

As a neighborhood church, it is important that we show the love of Christ to our neighbors during this time of uncertainty. Two ways you can help love our neighbors is by [giving](#) and by [serving](#). By giving, you help fund the efforts both locally and around the world. By serving, you act as the hands and feet of Christ.

SERVE

NEIGHBORS

Call, text, Facetime or video chat with your friends and neighbors. Some neighborhoods connect with the Next Door app. Encourage one another on social media and take care of each other remotely. Mail a card or letter. Help run small errands or pick up groceries and medicine for those who are most at risk.

COMMUNITY

Let's not neglect to donate non-perishables to the Floresville Food Pantry and Resource Center. Call 830-321-1151 to learn of specific ways you can help. Our community is also in desperate need of blood donations. Contact the South Texas Blood and Tissue Center at 800-292-5534 and give the gift of life.

HEALTH CARE PROFESSIONALS

Looking for a way to help local healthcare workers? Put your crafting skills to work and sew much-needed masks. Contact Donna Arispe at 210-560-9642 for more information.

PRAY

Pray that God would slow the spread of the virus. Pray for people who are quarantined or sick. Pray for health care workers. Pray for our leaders. Pray for our mission workers. Pray for pastors as they shepherd their flocks through uncertain times. Pray that our Faith Family will adapt to caring for each other in new and different ways. Pray that through adversity, people will put their faith in Jesus.
