# TERRY'S NOTES

Howdy!!! Happy September! September is the first R month of the fall. They claim the best time to eat raw oysters is during the R months, since the waters are cooler where oysters are harvested. Do you like raw oysters? Anyway, hope all of you are doing well and holding up ok. I'm doing alright, except for giving up on our scorched yard. Sandra and I recently raised the white surrender flag in both front and back yards. We have discovered our neighbor's yards are surviving, because they have more shade, protecting their grass, plus, our neighbors are paying the price for regular waterings. We have a few pecan trees that give off a little shade, but not enough. Also, we just cannot afford the expensive water bill, if we decide to water more regularly. Fortunately, the tropics are finally waking up and hopefully we will benefit from the rains they produce. Also, if temperatures start to fall, this will, indeed, help our yards to recover some. All in all, it's all good! It's in God's hands, and He cares more about our scorched yards and drought-stricken land than we do. Thank You, Father, for hearing our prayers concerning our weather and our need for rain. We know that You will provide us with what we need in due time.

On September 13, we begin our Wednesday afternoon student activities. Our Team Kids after school program starts at 3:30 pm. Both of our buses will pick up students from the North and South Elementary campuses for the Team Kids program. At 4:45 pm, our elementary students will enjoy Team Kids Praise! This is a special time where our younger students get to enjoy lifting up their voices to the Lord. During TKP, students will be learning music to sing for our Sunday services, and they will also be learning a mini musical for Christmas. We have an excellent group of leaders who work with these students each week. We appreciate all of our leaders who work with our after-school programs.

At 5:15 pm on Wednesdays, our suppers begin. We will have at least 5 teams, who will be responsible for providing a meal each Wed. evening. Since many of our families, who attend our Wednesday evening activities, do not have time to eat after work, we are so blessed to have these teams provide and bless us with an excellent supper! This makes it easy for all of us! The meals are very affordable, and every one of them are better than any restaurant in Floresville! We do, however, ask folks to sign up in the church foyer, or call the office, if you plan to eat, so we can get the best head count possible. By the way, not only are the suppers excellent, but the fellowship is amazing, too! This is a good time to meet others from F.B.C. Floresville. We hope you take advantage of our Wednesday evening suppers!

At 6:30 pm, we will have classes for everybody! There is a class schedule posted in another section of this newsletter. We want the entire family to come. Nursery care will be provided each night, so mom and dad can attend a class. I am really looking forward to Wednesday nights! Please come and join us!

At 7:30 pm, our Praise Choir rehearsal begins. Our Praise Choir is for anyone from 5th grade and up. We believe in the multi-generational church, where everyone, no matter what age, is important to the Body of Christ. If you are in the 5th grade and older, love Jesus and love to sing.....you qualify to be part of this great worship ministry! If you have any questions, please give me a call. ( 830) 391-3362

Last, but not least, please continue to pray for our new potential pastor. If you are like me, you are very excited about our future as a church, and you are excited about the new pastor, who will be leading us very soon. When our new pastor arrives and begins his leadership at F.B.C. Floresville, let's support him with our prayers and our willingness to serve where God wants to place us. Like I said last month, the harvest is ripe! We have such a great opportunity to reach out to a community that needs to hear the Gospel message. We need everyone to take part in the Great Commission. Let's not sit on the sidelines and complain about what is not happening, let's be part of the solution and get involved. How about it Church? Are you ready to move forward and see what God can do through our Church? I know that I am ready!

## Celebration of Life

Mary Hopper- Mike Hopper's mother went to be with the Lord on 8/30/23 and Mike & Rose are Celebrating that she gets to be with the Lord after a long wonderful life.

### Thank you

Dear First Baptist Family,  
Thank you for all your prayers and acts of kindness through the illness and homegoings of Mom and Dad- Carl and Lillie Ray. They loved First Baptist and served here for 60 years. You truly were family to both of them. But they loved the Lord the most and wanted to share the good news of the gospel in both word and deed. Thank you for the staff and ministers who led in the services, and to those who served and prepared the lovely meals. Thank you all who came to the services and shared your love to me and my family. It was a sweet time of worship and praise. I miss them but the certain hope of heaven brings comfort.  
God bless you!  
Love Jean Evelyn Hughes

## OCC Update

OCC has been moving slowly through the summer, but hoping we can become a little more active as we get into the last couple of months before we send out our boxes. Right now I have an interim goal of 12 boxes for each age group, which equals 72 boxes. We have pieces and parts for most of the boxes, with one group complete, and a couple other groups almost there.

Consider joining our FB group "Floresville FBC - OCC" to stay updated. Become part of an opportunity to reach children in far away places so they can learn about Jesus.
