# Thoughts from Pastor Michael

Dear Church Family,

I am looking forward to this Christmas season with all of you! We will have the Christmas musical, Christmas Eve service, Christmas fellowships, and the Lottie Moon Christmas Offering to name a few. There are so many opportunities to worship the Lord and serve Him during this season! May our hearts be constantly open to Him. As we celebrate the Lord's first coming to the earth, may we also be looking for His second coming.

2 Thessalonians 1.6-10 says, "since it is a righteous thing with God to repay with tribulation those who trouble you, 7 and to give you who are troubled rest with us when the Lord Jesus is revealed from heaven with His mighty angels, 8 in flaming fire taking vengeance on those who do not know God, and on those who do not obey the gospel of our Lord Jesus Christ. 9 These shall be punished with everlasting destruction from the presence of the Lord and from the glory of His power, 10 when He comes, in that Day, to be glorified in His saints and to be admired among all those who believe, because our testimony among you was believed"

The verses above show us how important His coming is. Just imagine standing with Jesus in His blazing glory and radiating His glory to others. Imagine the peace and the joy that will be ours. Christians are the "whipping boys" in our society but not on the day when He comes back. Think of the worship we will enjoy as we marvel at Him.

Joseph Stowell, president of Moody Bible Institute, was visiting a home for mentally challenged children. He noticed some hand prints covering a window, and he mentioned what he saw to his friend who ran the home. The friend replied, "Oh, those. The children here love Jesus, and they are so eager for Him to return that they lean against the windows as they look up to the sky."

May we have that same longing in our hearts today!

Grateful to be your Pastor,

*Michael Funderburk*

## TERRY'S NOTES

Merry Christmas! It's December! I don't think I need to go into much detail about the reasons many of us love the month of December. Do I? Naaaa...I'm pretty certain your reasons are pretty much my reasons. I will mention, however, that one of the most wonderful things about December is being able to be with immediate family and my siblings and their families. I do hope there will be some opportunity for all of us to get together this year for Christmas. It seems as we are all getting older, it seems to be more difficult to have all of the Smiths together during Christmas or any other holiday celebration.

Of course, the main reason we love December is to celebrate our Lord and Savior who came to Earth, beginning as the Christ Child. The Christ Child then grew up in Nazareth, as a son of a carpenter. Why did the Son of God live just an ordinary life with ordinary, blue-collar parents? We are talking about the King of Kings, Lord of Lords! He should have lived with the wealthiest family in all of Israel. He didn't. Jesus should've had servants to tend to His every need. He didn't. Why didn't Jesus receive the royal treatment? I personally believe that God wanted humanity to know that He loves us so much. God wants mankind to know that all levels of society are important to Him. God loves the rich, the middle class and the outcasts! God allowed His one and only Son to come to earth to bring us back to God. (Read on)

Then, the most horrifying, but most loving, event in all of history took place. Jesus was crucified on a cross for the remission of your and my sins. God had sent His one and only Son to Earth to live, so that he could die in just a little over 30 years in order to be a sacrifice for our sins. Because we are forgiven, we then have the blessing of being right with God. The curse of sin is broken as we experience Redemption. We then can have fellowship with God the Father and be able to live out our lives for Him. Without the blood of Jesus, we remain separated from God. God made a way for us to be brought back to Him, and that was through His Son, Jesus Christ.

What a precious Christmas gift to receive this year or to give to someone else. Have you ever thought of sharing the gospel with someone else, whether it be a neighbor, coworker or family member? Why don't we all think about giving someone that special gift of hearing the gospel this year. That is the best gift Christmas gift we could ever give someone. Of course, we don't have to wait till Christmas morning to offer that gift. Of course, that special someone needs to be willing to receive this amazing gift of eternal life. Scripture says, "Today is the day for salvation." (2 Corinthians 6:2)

Thank You - Dear FBC Floresville  
Sandra and I want to thank you for the very generous love offering you gave us during Ministers' Appreciation Month. We appreciate all of you so much! We are so blessed and honored to be part of this amazing church family!

*Pastor Terry Smith*

## A word from the Deacons

As we go to families for the holidays, enjoy your time together. Have safe travels to and from. I am thankful for my family and Thankful for First Baptist Church Family.

Moment to Refresh: Psalm 119:18, "Open my eyes, that I may see Wondrous Things from Your law. "That is an awesome start in a prayer OPEN MY EYES, we need that for all too often we get tunnel vision where we miss what God has for us.

Somethings we need to focus on to see the wondrous things from the law. God has a purpose for each one of us if we just opened our eyes, our hearts up to Him. What beauty we would see if we read His words to be able to learn His will, to share with others. Let's take the time to open our eyes to see where God has you see.

Al Riley Jr.
