Thoughts from Pastor Michael

Dear Church Family,

This past Sunday we celebrated the 2nd anniversary of Jill being our custodian. Jill does such a great job of serving the Lord and His people! We appreciate all you do Jill, so much! I encourage all our church family to reach out to Jill and tell her how much you appreciate her!

Part of our strategy for training disciples of Christ is to offer specific classes for growth in Christlikeness. First base in this process is having a New Members class. We have done a few of these, and we are getting ready to offer it again. Part 1 will be on May 11th, and part 2 on May 18th. These will be held in the Annex from 9:15 till 10:15. If you would like to attend, please contact the church or me directly so that we can have plenty of materials prepared.

Second base in this process is our Basic Maturity class that covers the foundational steps of growing as a Christian. In the class, we learn how to get a grasp of God's Word, learn how to pray, and learn how to have a quiet time. We offered this class last summer, and I am planning to offer it this summer as well.

Third base is our Discover your Ministry class. This is where we learn our S.H.A.P.E. or how God "shapes" us for ministry. We will look at our S-Spiritual gifts, H-our Heart's desires, A-our Abilities, P-our unique Personality, and E-our life Experiences. God uses all of these to shape us for ministry. This will be offered very soon!

Finally, Fourth base is our Missions class, where we learn to evangelize or share our faith with others in a non-threatening way. Other than the New Members class, we will begin these classes consecutively on Wednesday the 21st at 6:30 and continue through the Summer on Wednesday nights. Each class will take a few weeks. I will be announcing all of these classes as we launch. Stay attentive to our weekly email announcements, website, newsletters, and Sunday bulletins.

More than anything, let's all stay attentive to Jesus and live in Him. In Ephesians 1.19-20 Paul said that the same power Jesus used to rise from the grave is at work in us now! Paul also said in Philippians 4.13, "I can do all things through Christ Who strengthens me." However, we must choose to live in His power by abiding in Him.

During the Rose Bowl Parade on New Year's Day many years ago, a beautiful float suddenly came to a halt. It had run out of gas! The funny thing about this was that the float represented the Standard Oil Company! This company has a vast amount of oil resources, yet the float could not move until someone got a can of gas.

As Christians, we have been clothed from on high with the Unlimited Power of Christ.(Luke 24.49) However, many times we don't stay in tune with Him, and we run on empty. Let's be determined more than ever to live in the power of our Risen Saviour!

Thank you for letting me be your Pastor!

TERRY'S NOTES

Howdy again! May is the best month of the year, right? Well, maybe it's one of the best months of the year. For one, I am like a kid still, since I get excited for students who are finishing out the school year. I get excited with them! Not sure about the teachers, though. I know they are excited, since it is count down for them in concluding the school year, as well; however, most teachers are pretty much done with their students by the second week of May, so they just assign their students busy work for the remainder of the school days. Bless our teachers' hearts. They have to deal with all of the end of the year high energy from the students, since they know the finish line is close. Anyway, I am excited for all of our students and educators for getting to enjoy a bit more than a 2-month summer break. I believe May 22 is the last day of school! Yeehaw!

Last month, I mentioned that I will be taking medical leave in order to have a possible knee replacement. Well, my orthopedic surgeon evaluated me a few weeks ago and is encouraging me to undergo physical therapy, instead. This is great news! I was not looking forward to any type of surgery. I am pretty certain at some point I will possibly have it done, but for now, physical therapy is being considered. I most likely will begin therapy in June. Because of this encouraging news, you are going to have to put with me. Sorry! You thought that you got rid of me for a little while, but nope...nope...nope. Seriously, I am so thankful that I will not have to deal with this for the time being. Thank You, Lord!

CHOIR NEWS

Our Sunday Morning Praise Choir will not meet on Wednesday evenings, beginning on May 21. They will take a break from Wednesday evenings for a little while. The choir, however, will continue their 8:45 am rehearsals, except for the Sundays that VBS will have the stage decorated. (TBA) The choir will resume Wednesday rehearsals later in the summer. (TBA) Thanks to Sheila Brieden, Taelyr Coleman and Grace Lanning for leading our Team Kidz Praise Choir this past year. Sheila and Taelyr will once again lead the music for V.B.S. this year. April 30 was the last Wednesday rehearsal for now. TKP will begin again in September.

SONG REQUEST

I have mentioned this before, but if you have a favorite hymn or modern song you would love for the congregation to sing, please send me a text or give me a call. I will certainly give it some serious consideration. I might even allow you to sing a verse by yourself. Hmmm.... So, let me know! My cell # is (830)391-3362.

God Bless You All!!!

WE LOVE OUR TEAM!

Want to get involved in Kids Ministry?

There are always opportunities for service to FBCF's families! Contact Christie Davis at 210-861-1292 or another member of the Family Ministry Committee so we can talk about FBC's opportunities to serve.

What comes next? For your protection and for the safety of our children, we ask our volunteers to complete the following **FOUR SAFETY STEPS**:

1. Attend FBC Floresville for at least six months and have a conversation with a leader in the department about your willingness to serve.
2. Complete some introductory paperwork; review and agree to comply with FBCF's Children's Ministry Policies.
3. Submit to and pass a criminal background check.
4. Complete an hour-long Sexual Abuse Awareness Training video course.

Please prayerfully consider where God will have you serve. Training is available! And remember, our policies dictate that there will always be at least two teachers in a classroom, so you'll never be alone. Age-appropriate, biblically-sound, and FUN curriculum is also provided.
