Thoughts from Pastor Michael

Dear Church Family,

I am glad more ministries will be kicking off this Wednesday, Sept. 3rd. We will have our Fellowship Meal, Children's and Youth activities, and our Ladies and Men's Bible studies. I will also be offering my classes on Spiritual Maturity, Discover Your Ministry, and How to Share your faith in a Non-threatening way. Spiritual Maturity will start on Sept. 3rd and go 4 or 5 weeks. Also, once a month the adult classes will take a pause, and we will meet together to pray. I will share more about that at a future time, but simply put, we need more scheduled times for the church to come together while we have child care, and ***PRAY! Sept. 17th will be the first prayer gathering.***

Recently, I read about a new Burger restaurant that opened in Dallas. People waited outside the restaurant for an hour to get in. I want to see the day when multitudes of people are even more excited to meet together and worship Jesus! It has happened before. Here are some examples.

"More than ever believers were added to the Lord, multitudes of both men and women" (Acts 5:14). "And the word of God continued to increase, and the number of the disciples multiplied greatly in Jerusalem, and a great many of the priests became obedient to the faith" (Acts 6:7). "The next Sabbath, almost the whole city gathered to hear the word "of the Lord" (Acts 13:44). Critics said of Paul and others in Acts 17:6 that they "turned the world upside down." In Acts 19:10 we see, ""all the residents of Asia heard the word of the Lord..."

Jim Denison of the Denison Forum said this of an experience he had in Cuba: "My first time in Cuba, I was shocked to see the multitudes who came for Sunday morning services. They crowded into the auditorium (what the church called the "temple"), overflowing its thousand-person capacity and standing in the aisles. Those who could not get in gathered outside near the open windows so they could hear what was happening.

This despite extremely adversarial conditions. Not only was the auditorium unairconditioned in the hot Cuban summer, but government informants were known to have infiltrated the crowd, ready to report on its activities to the Communist authorities. The service itself lasted nearly three hours; the congregation was on its feet in worship for most of it."

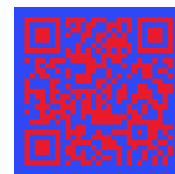

I believe the Lord will do great and mighty things for any church that is hungry, desperate, and seeks Him! Psalm 105:4- "Seek the LORD and His strength; Seek His face evermore!"

Thank you for letting me be your Pastor! May we be desperate for the Lord today and evermore!

TERRY'S NOTES

Greetings, Church Family!

Well...the "R" Months begin! Some of you may ask, "What are you talking about, Brother Terry?" We have always heard that "R" Months are the months which oysters are the best time of the year to be consumed. Here is what I found on Google:

Historical Context:

*The "R" month rule dates back centuries, primarily to the days before reliable refrigeration and cold chain shipping.

*Oysters were traditionally harvested in the cooler months (September to April in the Northern Hemisphere) because warmer summer months posed risks of spoilage and bacterial contamination.

*Oysters also spawn during the summer, which can result in less desirable texture and flavor.

*While some might still prefer the taste and texture of oysters harvested during the cooler months, it's generally safe to enjoy them year-round.

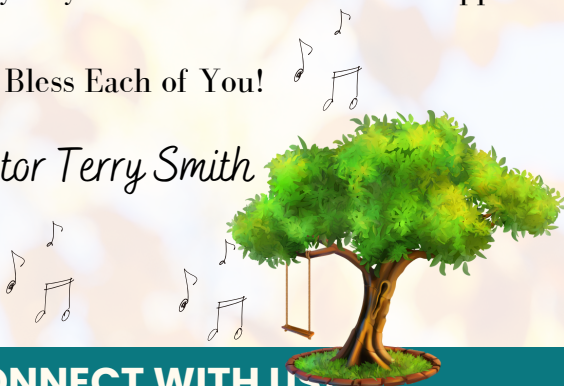

You may ask why I even mentioned about oysters in this month's Terry's Notes? The answer is simple: My wife and I love fried oysters, and we have always heard that the "R" months are the best time and safest time of the year to eat them. And....did you know that I was an oyster shucker for a restaurant called The Captains Seafood and Oyster Bar in Austin back in the day? Today, it is called Captain Bennys. You may reply, "Ahh shucks, Brother Terry!" Get it?

Moving on.....I'm excited about this time of year! School is back in session; cooler weather is on its way; church attendance is better; Wednesday night church activities are in full swing. I could go on and on.... September is just a good month for lots of things!

Beginning on Wednesday, Sept. 3, our Wednesday nights get pretty exciting and busy! At 5:30 pm we have a delicious dinner waiting for you! We have some of the best meals around! After dinner, we offer programs for all ages! Last, but definitely not least, at 7:30 pm, we have our Praise Choir Rehearsal. Our Praise Choir is growing, and we are having a blast singing together each week. We are currently working on our Christmas music. If you love to sing for the Lord and have a great desire to sing in a church choir, we invite you to join us! Lastly, it's so nice and wonderful to have the Kurtz family! Pastor Ryan is a great blessing to serve alongside! He is lots of fun and has great vision for the families of our church and community! Please pray for this precious family as they continue to settle in their home, church, and community. Consider approaching Ryan one day and ask him how you can help with the family ministry. He will be looking for volunteers to help in so many ways in the future. He would appreciate your help and service.

God Bless Each of You!

A Season of New Beginnings at First Baptist Church Floresville

What an exciting month it has been for our family! God has blessed us with a new home, a new neighborhood, new friends, and—most importantly—a new church family and ministry where we can serve Him full-time.

It has long been my deepest passion to show my love for the Lord by serving His people, and I am so grateful to do that here at First Baptist Church Floresville. From Pastor Michael and the deacons to the men, women, youth, and children, every single person has welcomed us with open arms. Though we've only been here a few weeks, we have already experienced God's love and grace through this incredible congregation. We are truly thankful beyond words and eager to serve alongside you.

We're especially excited for the launch of the Wednesday Kids and Youth Programs on September 3rd!

The past few weeks have been filled with planning, cleaning, decorating, and gathering volunteers. The enthusiasm and support from this church family has been overwhelming—and if you happen to get a call from me, don't be surprised! I may be asking for your help.

Our community is full of potential. While many already know Christ as their Savior, there are still hearts waiting to be reached. We believe God has placed us here to help do just that—through Christ-centered activities, discipleship, and character-building. Together, with His guidance and your support, we can accomplish great things for His Kingdom.

Thank you for embracing us. We are ready to serve, grow, and build together. We are so excited for what God is going to do here in Floresville! "Therefore encourage one another and build one another up, just as you are doing." 1 Thessalonians 5:11

To God be the glory, praise, and honor!

Ryan Kurtz
