Thoughts from Pastor Michael

Ephesians 5:20 (HCSB), "Giving thanks always for everything to God the Father in the name of our Lord Jesus Christ,"

Dear Church Family,

Robin and I are very grateful that you are our church family! Thank you so much for loving us! We are humbled and honored to be able to serve the Lord alongside you all!

I have heard people say that when they got back from visiting another country, they would kiss the ground because they would be so grateful to be back in America. I believe Paul felt so grateful that he wanted to kiss the Creator of the earth. This verse shows that Paul wanted all Christians to feel and live in overwhelming gratitude to the Lord for Who He is and what He has done!

He is a God Who loves us so much that He became a baby, lived as a human with all the troubles and difficulties that one could face, and then ultimately was persecuted and murdered, not for what He had done, but for what we have done.

How could we ever get over that kind of grace that has been extended to us?

That grace and the awareness of His many demonstrations of grace to us each day, should lead us to a life of Thanksgiving. Thanksgiving is NOT just the acknowledgement to God for blessing us. It is a thanks that leads to giving His grace to others. It is a thanks that causes us to love Him more and love others with acts of kindness, sacrifice, and grace as He shows us how.

Ann Voskamp said, "Thanksgiving that doesn't become thanksgiving isn't thanksgiving. It's thanksdead. It's thanks nothing." I hope today and every day, we will experience true Thanksgiving for all things in the Name of Christ all the time!

Thank you for letting me be your Pastor!
Happy Thanksgiving!

Michael Funderburk

Pastor TERRY'S NOTES

Howdy, Friends! I will try to not be so “long winded” this month, ok? Being November, the thing that stands out to me during this month, besides all of the great eats on Thanksgiving Day, is the commandment of being thankful in all things. “In everything give thanks, for this is the will of God in Christ Jesus concerning you.” (1 Thessalonians 5:18 NKJV)

As a Christian, the one thing from God’s Word which has helped me to have a positive attitude is learning to be thankful. As a young child, our parents taught us to be thankful, especially to those individuals outside our family who blessed us with kindness, such as birthday gifts, good deeds and compliments. Nothing bothers me more; for example, when I open the door for someone, and that someone does not reply with, “Thank you.” Or, when I move over on to the shoulder of a highway or county road in order to allow the aggressive speedster pass me. They just zoom on by, and, sometimes, I do not get a thank you. Ouch!!! As you know, it happens.

God’s Word commands us to be thankful and grateful. The Bible doesn’t say, “If you feel like it, say thank you,” or it doesn’t say, “Only say thank you if you are in a good mood.” We should not ever hesitate to give thanks to the one that blesses us.

In Luke 17:11-19 there is the account of the ten lepers. This passage describes an encounter between Jesus and ten men afflicted with leprosy as He traveled along the border between Samaria and Galilee. As Jesus entered a village, the ten lepers stood at a distance, adhering to the Levitical law that required them to keep away from others. (Lev. 13:45-46) They cried out to Jesus, “Master, have mercy on us! Then, Jesus healed them and instructed them to show themselves to the priests. After they did this, only one healed leper returned to Jesus giving thanks. Jesus, then asked, “Were not all ten cleansed? Where are the other nine?” (Luke 17:1)

I truly believe the Lord loves to hear our gratitude to Him, not just to those who give us birthday cards and gifts. God loves the praises and thanksgiving from His children. Are you a grateful Christian, or is this something you need lots of work? I truly believe we all can learn to be more grateful.

A word from Pastor Ryan

God Is Moving in Our Church Family

Church family, what an exciting and encouraging season this has been! God is truly at work in our midst stirring hearts, renewing spaces, and growing His people.

We've started painting and cleaning the Family Life Center, and it's already looking refreshed. This renewal isn't just physical; it's a picture of how God is also renewing hearts and relationships in our church. Thank you to everyone who's come out to serve, paint, clean, and lend a hand. Every brushstroke and broom sweep is making a difference!

Our Family Life Center is not only a place of fun activities but also a place of worship a holy ground where we meet with God and where God is glorified. It's a place we're proud to call our favorite place to be, where laughter, fellowship, and faith come together under one roof.

Our Peanut Parking team had an incredible turnout this year. Through the Lord's providence and your faithful work we raised over \$7,000 for youth camp! What a blessing to see how God provides when we come together for His purpose. Of course, there's always room for more helpers, so if you haven't joined in yet, we'd love to have you next time.

We're also seeing new faces at our Midweek Studies and Sunday mornings, and that's something to celebrate! It's a joy to see new connections forming and lives being touched by God's Word. On October 22nd, during our prayer meeting, the youth gathered together for a special time of prayer. It was a powerful moment a chance for them to lift their voices and hearts to God, seeking Him together. There's a stirring happening among our youth, and it's clear that God is doing something special in their lives. Families are getting more involved, and the excitement is contagious. Praise the Lord for that!

Looking ahead, we have some awesome events on the horizon D-Now at the end of January and Summer Camp in the months to follow. These are just two of the many ways with more to come in how we'll continue to see God move among our young men and women.

Finally, we'll be having a few workdays at the Family Life Center soon. If you have a youth in your home or if you are one of our awesome youth reading this, we want you to be part of it! The work may be challenging at times, but it's rewarding, because everything we do is for the glory of our Lord.

Let's keep pressing forward together, church family hearts united, hands ready, and eyes fixed on Jesus. He's not done with us yet!

With love and excitement,

Ryan Kurtz

Grateful!

A word from the Deacon Chair

Like to say Thanks members for showing the love and caring, it is a blessing to serve with other men that want to serve and pray. God is so good, all the time.

Moment to Refresh: Isaiah 48:17, "Thus says the Lord, your Redeemer, The Holy One of Israel: "I am the Lord your God, who teaches you to profit, who leads you by the way you should go." Oh, how glad I have God as my Redeemer; he leads me in the ways I need to go. The important part of that is what I am willing to follow. Which is a good question that I need to put in my heart. If I am to follow Him where He wants me to go, I need to trust him with my whole heart not just words but how I show it day to day. As Jesus did not come to the earth to be served but to serve. I need to follow the way Jesus leads. Are we willing to let Jesus in so He can lead us down the path He has for us, or we just going to take whatever road we feel like taking? Question if I may ask, how is going for you right now doing your thing? How is that path you pick outgoing? It's not too late to say Jesus show me where you want me to go.

With Many Thanks,

I want to thank our church family who prayed for Jonathan, my cousin who had a massive heart attack at age 38 back in May. His life is a miracle!

After all those months in the hospital, he finally went home to his wife and 3 precious little girls on Oct 2! He will have months of P.T. and O.T. ahead of him. THANK YOU, church family, for praying for this young man you didn't even know! I feel so incredibly blessed to be a part of a praying church like FBCF!
